Job-Center visit prep

Half-page prep for an American Job Center (or similar) visit about trades / registered apprenticeship. This directory is a **map of public data** — not openings and not a ranking.

Ask the counselor

- ☐ ☐ “Which registered apprenticeship sponsors in this area should I verify on apprenticeship.gov?” Names: _____
- ☐ ☐ “Where do people usually apply — sponsor site, union hall, employer HR, or here?” _____
- ☐ ☐ “Is there a public info session or orientation I can attend without paying?” _____
- ☐ ☐ “What documents do you typically see sponsors request?” (their list only): _____

Do not expect from this directory

- Job openings, “seats left,” or wage guarantees — we don’t invent them.
- A ranking of “best” sponsors — public DOL / Scorecard map only.
- Enrollment or benefits counseling — confirm on apprenticeship.gov and with the sponsor.

Before anyone applies: send them home with a double-check on apprenticeship.gov and the school site / Scorecard. Send-home sheet · Methodology. Independent · not DOL. registeredtradeschools.com/for-counselors/job-center-prep/
